March 14 to 28, 2019

Dear Alumni, Parents, and Friends,

We invite you to be among the thousands of Cornell alumni, parents and friends who view the Cornell Alumni Association (CAA) Travel Program as their first choice for memorable travel adventures.

If you've travelled with CAA before, you know to expect excellent travel experiences in some of the world's most interesting places. If our travel offerings are new to you, you'll want to take a closer look at our upcoming tours.

Working closely with some of the world's most highly-respected travel companies, CAA trips are not only well organized, safe, and a great value, they are filled with remarkable people. This year, as we have for more than forty years, we are offering itineraries in the United States and around the globe.

Whether you're ascending a sand dune by camel, strolling the cobbled streets of a 'medieval town', hiking a trail on a remote mountain pass, or lounging poolside on one of our luxury cruises, we guarantee 'an extraordinary journey in great company.'

And that's the reason so many Cornellians return, year after year, to travel with the Cornell Alumni Association. If you, like me, simply can't wait for your next travel adventure, I encourage you to register today for this or another of our remarkable travel offerings.

Warmly,

James A. Mazza '88 Associate Vice President for Alumni Affairs Cornell University

In the afternoon, explore some parts of the city, known for its wide avenues lined with palm trees and a variety of colorful flowers. This city was awarded UNESCO Cities for Peace Prize for managing to address the challenges of rapid urbanization.

"Ethiopia always has a special place in my imagination and the prospect of visiting Ethiopia attracted me more strongly than a trip to France, England, and America combined. I felt I would be visiting my own genesis, unearthing the roots of what made me an African."
